Subject: CLEARANCE OF VESSELS AS PER PROCEDURE OF 'ONE-CUSTOMS'

Please refer to the subject cited above.

2. It is informed that due to the expected closure of M/s. Agility software on the 28th of May, 2010, during the transition period, VIR were filed in PaCCS and their extracts were uploaded in 'One-Customs' as a pre-caution. Berthing of vessels were not sent by the Terminals and therefore, some vessels were cancelled by the PaCCS software automatically. This has lead to a situation where it has become extremely difficult to revert such vessels back to the PaCCS system. It has been decided by the competent authority that all such vessels will be dealt in 'One-Customs' and will be processed as per procedures followed in 'One-Customs'. However, henceforth VIRs of all those vessels which have not yet been filed in the 'One-Customs' may be filed in PaCCS in terms of business as usual. In case of any queries Mr. Yasir Wahab Kalwar, Deputy Collector, MIS can be contacted on phone: 021-99210531 during office hours. It is requested that Customs be informed about the vessels which arrived / berthed at the port during the transition week whose data is available with the Terminal operators through PaCCS software. Please find enclosed list of vessels, the vessel state shown against the vessel as cancelled will be dealt in 'One-Customs' the rest will be dealt in PaCCS.

3. No delivery should be made for those consignment where manifest is missing and the same should be reported to the customs authorities alongwith details.

(Muhammad Ashfaq)
Deputy Collector (Hqrs)
